SPECTRUM MEDICAL

Spectrum is proud to announce the launch of its NEET-UG preparation program this year. Building on our legacy of providing top-notch preparation for engineering competitive exams since 2010, Spectrum now offers comprehensive preparation specifically tailored for NEET-UG aspirants. Our proven track record of success continues, with Spectrum students consistently achieving outstanding results and securing admissions to prestigious colleges across the country. Join Spectrum and experience the difference in your NEET-UG preparation journey.

Program Features :

- Highly qualified full time faculty.
- Limited intake in a batch for healthier personal attention.
- Various analytical & mentoring tools to improve score.
- Best & systematic academic with personal care & mentorship.
- Proven Teaching methodology.

FOR REPEATERS / 12th PASSED STUDENTS

Admission Process: Applicants are admitted directly based on the expected NEET-UG 2024 Score/Rank or on their marks/grades obtained/expected in the board exam.

REPEATER'S COURSE FOR NEET-UG

STARTING FROM 15th MAY 2024

COURSE DESCRIPTION:

The Repeaters Batch is a yearlong program designed for students seeking another opportunity to excel in the NEET-UG 2025 exam and secure admission to top medical colleges. This program aims to enhance their scores and ranks.

COURSE HIGHLIGHTS:

- Classes held six days a week, covering all three subjects.
- Comprehensive theory lessons encompassing Concept Building & Numerical Ability.
- Daily Practice Problem solving (DPPs) sessions are mandatory.
- Relevant study material provided for Physics, Chemistry, Botany & Zoology.
- Regular tests conducted following the entrance exam pattern.
- Doubt Clearing Sessions are available to address student queries.

COURSE FEE - 1,20,000/- (Inclusive GST)

Scholarship Based On NEET-UG 2024 Score.

FACULTY

Spectrum's real strength is Strong Dedicated Faculty

- Spectrum's primary strength lies in its dedicated faculty, sourced from top institutes in India.
- Faculty mentorship stands as the sole and principal reason behind Spectrum's high results.
- Personal attention from faculty, often considered a myth elsewhere, is a tangible reality at Spectrum.
- The motivation instilled by our faculty drives students to study more diligently than ever before.
- With qualified faculty at the helm, concerns about syllabus completion become a thing of the past.

PERSONAL ATTENTION

Spectrum Personal Attention defines strengthening the minds and heart

- Providing handholding support during critical learning moments strengthens students.
- Guiding students to adjust difficulty levels at the appropriate times enhances learning sharpness.
- Establishing and supervising a study timetable fosters a disciplined study environment.
- Consistently addressing students' weak areas keeps the focus on their academic improvement.
- Offering motivation and counseling to strive for higher achievements empowers students further.

DOUBT CLEARING

Spectrum's doubt clearing always keeps students confident in their performance.

- Optimal learning occurs when students independently solve problems, aided by hints and clues from faculty.
- Unlimited, unrestricted access to faculty post-class, by appointment, facilitates practical doubt clearing.
- Pre-defined and categorized types of doubts streamline and expedite the doubt clearing process.
- Common or seemingly trivial doubts, which students may hesitate to raise, are promptly addressed in the classroom, ensuring significant academic improvement.

ACADEMIC SYSTEM

Strong Academics is the Foundation of Strong Institute

- Academic system devised by top experts who excelled in competitive exams.
- Specialized training focuses on cracking competitive exams efficiently.
- System prevents score decline with expanding syllabus, ensuring continuous improvement.
- Program divides total five-hour sessions into simplified segments, including recap and stepwise problem-solving.
- Rank Booster Full Syllabus Testing program delivers remarkable score improvements by session's end.

MENTORSHIP

Faculty Mentorship Program - Handholding of Students at every stage

- Personalized assessment through individual copy checking and subsequent guidance.
- Joint meetings with parents and students to evaluate progress.
- Establishing goals for students and parents to provide clear direction.
- Analyzing test results and identifying weak areas through discussion, while monitoring progress to facilitate improvement.

DISCIPLINE

Discipline is ingrained in Spectrum's approach to student studies:

- No mobile phone use at Spectrum for focused study periods over 5 hours.
- Compulsory attendance at classes and tests for academic progress.
- Mandatory mentorship meetings with faculty and parents for collaborative achievement.
- Enforcing strict disciplinary measures to ensure a conducive learning environment for all students.
